(b) The Contractor shall perform the contract in accordance with any order (including but not limited to instruction, direction, interpretation, or determination) issued by an authorized representative in accordance with his authority to act for the Contracting Officer; but the Contractor assumes all the risk and consequences of performing the contract in accordance with any order (including but not limited to instruction, direction, interpretation, or determination) of anyone not authorized to issue such order.

552.236-73 Basis of Award—Construction Contract.

As prescribed in 536.570-4, insert the following provision or the appropriate Alternate:

**BASIS OF AWARD—CONSTRUCTION CONTRACT
(APR 1985)**

(a) The low bidder for purposes of award is the responsible bidder offering the lowest price for the base bid (consisting of the lump sum bid and any associated unit price bids extended by the applicable number of units shown on the bid form). See Standard Form 1442, Solicitation, Offer, and Award and the provision entitled "Contract Award—Sealed Bidding."

(b) A bid may be rejected as nonresponsive if the bid is materially unbalanced as to bid prices. A bid is unbalanced when the bid is based on prices significantly less than cost for some work and significantly overstated for other work.

(End of provision)

Alternate I (APR 1985). If the solicitation includes a base bid and options, the Contracting Officer shall delete paragraph (a) of the basic provision and insert paragraph (a) substantially as follows:

(a) The low bidder for purposes of award is the responsible bidder offering the lowest aggregate price for (1) the base bid (consisting of the lump sum bid and any associated unit price bids extended by the applicable number of units shown on the bid form) plus (2) all options designated to be evaluated. The evaluation of options will not obligate the Government to exercise the options. See Standard Form 1442, Solicitation, Offer, and Award and the provision entitled "Contract Award—Sealed Bidding."

Alternate II (APR 1985). If the solicitation includes a base bid and alternates, the Contracting Officer shall delete paragraph (a) of the basic provision and insert paragraphs (a), (c), and (d) substantially as follows:

(a) The low bidder for purposes of award is the responsible bidder offering the lowest aggregate price for (1) the base bid (consisting of the lump sum bid and any associated unit price bids extended by the applicable number of units shown on the bid form) plus (2) those alternates in the order of priority listed in the solicitation that provide the most features of work within the funds available at bid opening. See the provision entitled "Contract Award—Sealed Bidding."
